

REMARKS

Applicant expresses deep gratitude for the Examiner's expeditious action in allowing the present patent application. Applicant proposes to amend the application to correct a typographical error in claim 36 so that "wherein the computer-readable further comprises" now reads as "wherein the computer-readable code further comprises." No new matter has been added. Entry of the amendment is therefore respectfully requested.

It is believed that there is no fee due in conjunction with this amendment. In the event of non-payment or improper payment of the required fee, the Commissioner is authorized to charge or to credit **Ryan, Mason & Lewis, LLP Deposit Account No. 50-0762** as required to correct the error.

Respectfully submitted,

Date: October 10, 2007
